South East of the Village

No 2

**Approximately
2 miles
1 ¼ hrs
1 steep hill**

Start at Village Hall car park. Across horse paddocks to the Golf Course and Park Wood. Through the Hill Park just below Chestnut Avenue. Return via the Church and same path to the start.

(Optional visit to Church & seasonal teas)

From Village Hall Car Park turn right down Ship Hill. After 30m turn right down the signposted footpath, over 2 stiles and across a track. Continue up between 2 fences. At the top the path takes a right and left corner (still between fences).

Continue straight on with the golf course on your right and paddocks on your left, over a stile and into Church Lane. Turn left and in 20m turn right on footpath into golf course, after a few metres, turn left along a golf course track, after a few more metres, go ahead along a way-marked broad, green footpath.

Pass the Clubhouse and car park on your right, follow marked path into woods. (*Bluebells in Spring*) The path goes along the edge of the wood (*this was once a medieval Deer Park*) with the golf course to your right, coming out onto a road. Turn right and shortly the road forks by a Post Box.

Take the left hand road. In 200m, opposite 'Brambledown', turn right down a track. After another 200m take the right hand fork (do not go down the hill). At a junction turn right up a cindered track and in about 80m turn left. Pass information board about Hill Park Estate. On reaching a marker and notice board, go right up to a road (Chestnut Avenue), where there is a 3 way signpost.

Cross the road and take signposted footpath up through the woods, emerging at the Church car park.

(A short detour to the church (11th Century) is well worthwhile with wonderful views across to the Kent Weald & South Downs. From Easter to the end of September Sunday tea & homemade cakes are served).

Turn right along the road (Church Lane). In about 100m, where the road bears right, take path on the left into the golf course. Follow the footpath going diagonally across the fairway. This leads back to your earlier route to the Village Hall.
